APEX INSTITUTE OF MANAGEMENT & TECHNOLOGY

THESIS TOPIC DECLARATION FORM

This form is required to be submitted by all DMS students of AIM at the time of submitting the registration documents and admission application form. If needed, the topic and/or description can be changed later using this form and submitting it before the examination.

This process serves two purposes:
1) to engage the student and his/her committee in identification of the thesis topic; and
2) to communicate approved topics addressed in the program via web site and other communication means.

Student enrollment number :

Student name: *First name* *Middle name*

Topic title (100 character limit): _____

Topic description (300 character limit) : _____

All signatures on the form must be in handwriting.

I consent to allowing AIM to use information pertaining to my name, email address, thesis topic, and examination supervisors in promotional materials including the AIM website and print publications.
